Languages

English 

Curious and enthusiastic, I am interested in IT and everything in its orbit. I recently began to be fascinated by web programming, developing apps and building websites. Innovative and optimized solution seeker, I am excited to be at the deployment phase of my new career as a web developer. I am ambitious, adventurous, passionate by continuously improve to become a better person.

Work experience

MasterData Controller Sep 2019 - Present
Denнемeyer S.R.L, Brasov

I started as AccountReceivable for one year and my "to do" list was : perform account reconciliations, research and resolve payment discrepancies, issuing invoices for our software customers, collect data and prepare monthly metrics.
As Masterdata I resolve any discrepancies between systems used by different department to invoicing their services provided to our customers and NAV Dinamycs, in order to maintain an accurate accounting system.

Accountant Sep 2016 - Sep 2019
Tiriac Auto Romania, Bucuresti

I processed and checked daily our accounting system used (Navision Dynamics) to ensure all business transactions are recorded. Issuing and preparing invoices, weekly and monthly reports. Identified, investigate and explain variances in GL accounts, assist and performing reconciliations.

Junior Auditor Sep 2015 - Sep 2016
KPMG Romania, Bucuresti

As an Intern for the Audit Department I had the opportunity to work directly with auditors and learn specific procedures such as: trial balance mapping for reporting packages and also verification of the reporting packages, checking VAT statements and reconciliating them with the trial balance, checking financial situations and preparing confirmation letters for foreign partners' balances;
